Habitat	What is the surrounding habitat?							
	5m or less from the water				5m- 100m from the water			
	<1/4	1/4 to 1/2	1/2 to 3/4	>3/4	<1/4	1/4 to 1/2	1/2 to 3/4	>3/4
Parks and gardens								
Grasslands								
Arable								
Woodland								
Scrub or hedge								
Marsh								
Heath								
Roads and tracks								
Buildings								
Ponds and lakes								
Streams, rivers and ditches								

*Stream vs river? If you could walk through it it's a stream. If you'd need to swim through it it's a river.
